## **'The Supervisory Relationship'**

Led by Robin Shohet

**Saturday 13<sup>th</sup> March 2021**

**10am – 4.30pm**

via ZOOM

### The Supervisory Relationship

In a world dominated by an audit culture and where relationships are becoming increasingly transactional, the supervisory relationship is of vital importance. Through good role modelling, it upholds the value of relationship as a vehicle for transformation. How does the supervisor avoid becoming part of a culture that is increasingly moving towards avoidance of risk and defensive practice? In this workshop we will use Appreciative Inquiry as our starting point and take courage as our theme - the courage to take risks, be honest and vulnerable and own what might seem like mistakes, but in fact are potentially vehicles for growth.

This workshop will be experiential and will include a live supervision demonstration.

About the presenter:

Robin Shohet is co-author of 'Supervision in the Helping Relationships' and editor of 'Passionate Supervision' and 'Supervision as Transformation'. His latest book, co-written with his wife, '**In Love With Supervision**' is a record of the 40 plus years they have been teaching together.
